The BottleDrop Give account and Blue Bag program are optional services intended to provide community-oriented fundraising opportunities to approved non-profit, tax-exempt organizations which have either their headquarters in Oregon or have a chapter with an Oregon mailing address, and are conducting work to that primarily benefits Oregon communities. The following terms and conditions apply to all BottleDrop Give accounts. Violations of these terms and conditions could result in closure of your account with or without notice.

- ◆ Give Accounts may drop a maximum of 10 bags per day. Appointments may be scheduled to drop a maximum of 50 bags. Appointments are contingent on center availability and must be made at least one week in advance. Fundraisers may schedule up to 2 appointments per week, with a maximum of 4 appointments per month.
- ◆ Only BottleDrop Blue Bags are accepted for counting by BottleDrop. BottleDrop may refuse to count containers dropped in any bag other than a BottleDrop Blue Bag.
